GENERAL REMARKS (PART-C)

AUDIT OBJECTIONS & GENERAL REMARKS

- 1 During the year Cash on hand exceeded limit prescribed by the Rules -107(C) read with Bye-Law No.-145.
- 2 Society should take appropriate actions to recover member's dues on time. Dues from members stood at Rs. 20,97,862/- as on 31-03-2026, of which Rs. 20,85,082/- is receivable from Flat No. 404 (including interest on arrears of Rs. 11,26,244/- held under Unrealised Member's Dues).
- 3 It is observed that some members of the Society have still not submitted the nominations. It is in the interest of the members to do the nominations at the earliest as per the provision in the Byelaw of the Society.
- 4 Funds not fully invested: As on 31-03-2026 the FDRs earmarked for the Reserve Fund (Rs. 43,513/-), Building Repair Fund (Rs. 4,52,600/-) and Education & Training Fund (Rs. 17,843/-) fall short of the respective fund balances by Rs. 6,46,020.65/-, Rs. 73,907/- and Rs. 7,533/-, whereas the FDRs earmarked for the Sinking Fund and Share Capital exceed the balances by Rs. 1,92,635/- and Rs. 14,579/-. The Society should re-align the FDRs fund-wise and invest the shortfall as required under Section 70 of the MCS Act, 1960 and the Bye-laws.
- 5 Appropriation of surplus: The surplus of Rs. 2,89,125/- for the year has been carried to the Income & Expenditure Account in the Balance Sheet (closing balance Rs. 18,98,561.44/-) without appropriation. The General Body should approve the appropriation of the surplus, including transfer of at least one-fourth (Rs. 72,281/-) to the Reserve Fund, as required under Section 66 of the MCS Act, 1960 [LEGAL PROVISION TO BE VERIFIED] and the Bye-laws of the Society.
- 6 Direct adjustments to accumulated surplus: Income-tax refund of Rs. 32,600/- for A.Y. 2019-20 has been credited, and a net amount of Rs. 1,853/- (difference in FD interest and expenses written off: Rs. 818/- and Rs. 1,529/- less Rs. 4,200/-) debited, directly to the Income & Expenditure Account balance in the Balance Sheet instead of through the Income & Expenditure Account. Such prior-period items should be routed through the Income & Expenditure Account and disclosed separately; write-offs require supporting documents and approval of the Managing Committee / General Body.
- 7 Advances to vendors Rs. 11,05,887/- (previous year Rs. 7,55,767/-): Advances to Falcon Enterprises Rs. 5,09,386/-, Pinnacle Enterprises Rs. 51,911/-, V.R. Kadam Rs. 10,000/-, Adani Rs. 5,245/- and Irene Rosario Rs. 1,325/- remain unadjusted from the previous year, while advances to Pramod Nag (Rs. 3,91,751/-), Saurav Kumar - Gopinath (Rs. 81,189/-) and Mhatre Law Associates (Rs. 55,080/-) increased / arose during the year. The Society should obtain balance confirmations, adjust the advances against bills for work or services already received (charging them to revenue or to the Sinking / Repair Fund, as appropriate, with consequent effect on the surplus) and recover the unadjusted balances.
- 8 Old balances without movement: Provision for Property Tax Rs. 13,316/-, Advance from Members for A.P. Tax Rs. 37,272/-, Retention Money Pinnacle Rs. 1,00,813/-, SN Computers Rs. 10/- and Unidentified Credit of Rs. 25,486/- (Axis Bank cheque No. 228179 dated 17-05-2024, Schedule VII) are unchanged from the previous year. The Society should identify, confirm and reconcile these balances and pass the necessary adjustment entries with the approval of the Managing Committee / General Body.
- 9 TDS Receivable Rs. 66,834.60/- (previous year Rs. 93,054.60/-): Year-wise details are not given in the financial statements. The Society should reconcile the balance with Form 26AS / AIS and the income-tax returns, claim refunds, adjust amounts not recoverable with proper approval, and confirm that the TDS relating to the A.Y. 2019-20 refund of Rs. 32,600/- is not still included in this balance.
- 10 Audit fees payable of Rs. 10,000/- (previous year Rs. 7,500/-) shows that audit fees of earlier years remain unpaid and should be paid. Loan from a Managing Committee member of Rs. 15,656/- (previous year Rs. 22,656/-) is outstanding; its terms, the Managing Committee / General Body approval and the repayment schedule should be placed on record and the loan repaid at the earliest.
- 11 Festival expenses of Rs. 27,500/- (previous year Rs. 5,000/-) and Income Tax expenses of Rs. 9,166/- (previous year Nil, including Rs. 6,866/- whose basis is not evident from the accounts) have been debited during the year. The Society should ensure that such expenditure is approved by the Managing Committee / General Body and supported by proper documents.

RECORDS

Society has maintained the following statutory registers, which are required as per Bye Laws No.142 should be updated.

- a Form I, Form J, & Share Register.
- b Nomination register
- c Property Register
- d The Audit Rectification Registered in "O" Form

SUGGESTIONS :-

- 1 The Society should charge maintenance and other applicable charges strictly in accordance with the Bye-Laws, relevant Acts, Rules, and Government Notifications issued from time to time.
- 2 Collection of Non - occupancy charges received:
Non - occupancy charges levied @ 10% of maintenance charges is not correct as the same is required to be levied @ 10% of service charges as determined as per Bye-Law No. 68 read with Bye-law No 69(a)(x) and read with Bye-law No 43(2)(iii)(c) & order dated 1st August, 2001. [i.e. collection towards water charges, insurance, lift maintenance etc. will not form part of service charge for NOC.
- 3 Statutory registers should be updated regularly.
- 4 All single payments above ₹1,500/- should be made only by crossed account payee cheque.
- 5 The Managing Committee should review the Society's normal petty cash requirements and fix/maintain the cash balance accordingly, strictly in accordance with the applicable provisions of the Maharashtra Co-operative Societies Act, 1960, Rules and the registered Bye-laws of the Society.
- 6 Utilise the Education and Training Fund to provide education and training to at least 20% of members every year, in accordance with Section 24A and Section 155-B(6) of the Maharashtra Co-operative Societies Act, 1960.
- 7 Upload all mandatory returns prescribed under Section 79 of the MSC Act on or before 30th September every year.
- 8 Deduct Income Tax at Source (TDS) in accordance with the relevant provisions of the Income Tax Act, 1961 — for example, when engaging contractors for repair and maintenance work — and file the quarterly TDS statements, issuing TDS certificates to deductees as required.
- 9 Implement a more robust financial management system, including budget monitoring, variance analysis, and other related MIS reporting.
- 10 Ensure that minutes of Managing Committee meetings as well as General Body meetings are clear, complete, and unambiguous. All resolutions should be serially numbered.
- 11 Note that the Maharashtra Co-operative Societies Act, 1960 was amended on 13th August 2013. As per the amended provisions of Section 73CB(1), the State Co-operative Election Authority has been constituted. Elections of all Co-operative Societies must be conducted in accordance with the Maharashtra Co-operative Societies (Elections to Committee) Rules, 2014.
- 12 Prepare the Audit Rectification Report within three months as required under Section 82 of the Maharashtra Co-operative Societies Act, 1960, using Form "O" prescribed under Rule 73. This report should be placed before the Managing Committee for approval, then submitted to the registering authorities along with a copy of the Managing Committee resolution. The same should also be forwarded to the auditor for comments.

CONCLUSION AND AWARD OF AUDIT CLASSIFICATION

- 1 From the examination of books of account and other records maintained and produced by the the society, I would like to appreciate the co-operation received from time to from the office bearers of the Society.
- 2 I am pleased to award 'B' classification to the Society for the year under audit.
