- 3 My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the applicable Standards issued by The Institute of Chartered Accountants of India and under the Maharashtra Co-operative Societies Act, 1960. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An Audit includes examining on a test check basis, evidence supporting the amounts & disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose expressing an opinion on the effectiveness of internal control in conjunction with the audit of the financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.
